

# FOREIGN BODY RECLAIM SERVICES

## RECLAIM YOUR VALUABLE PRODUCTS

DIVERTING  
WASTE FROM  
LANDFILLS

### We Provide

State-of-the-art X-ray inspection for retail food full cases, cans, pouches, bags, bottles, cartons and trays. Our experienced, dedicated team will x-ray inspect your suspect production and provide traceability and statistical process control, ensuring you the confidence to release your valuable goods to market.

### The Process

1. You ship us your goods.
2. We X-ray, inspect and separate the good from the contaminated products.
3. We prepare detailed quality assurance report.
4. Cleared production will be returned to you and affected packages can be destroyed.

In 2021 we inspected and cleared over **2.5 million kg** of products, valued over **\$10,000,000**.
